- Native Uzbek

Nurmurodov Jasurbek, a 19-year-old student at TUIT, is a budding web developer with a fervent passion crafting elegant and functional digital solutions. Proficient in HTML, CSS, JavaScript, React.js, and more, they possess a keen eye for detail and a commitment to staying abreast of industry trends. Currently completing their education at Najot Ta'lim in frontend development, they ensure that every project they undertake is not only visually stunning but also optimized for peak performance.
